Safety Tips when using your debit card outside the USA:

- ✚ Never let your card out of your sight. Always swipe it yourself, never let anyone take your card away from you to swipe it
- ✚ Withdraw money from an ATM whenever possible to make your purchases. Skimming devices are placed on equipment in European countries frequently. To help prevent your card from being compromised, withdraw cash and make your purchases with cash
- ✚ Always look for skimming devices wherever you use your debit card
- ✚ Always have a secondary form of payment in the event your debit card becomes compromised or is declined for any reason
- ✚ Sign up for ***smsGuardian Text Alerts*** – Go to www.tcbssb.com , click on the Additional Services tab>Debit Card Security> Click on the *Enroll Now hyperlink*
 - SMS Guardian will send a text message when certain transactions are attempted
 - The cardholder can confirm or decline the transaction immediately from their smartphone
